

After living in Japan, this client wanted to bring the culture back to her Minnesota condominium. **WARREN STEVEN WINDOW FASHIONS** helped the designer incorporate a print fabric with a large, 43-inch vertical repeat of an Asian scene. The Warren Steven drapery workroom helped designer Jeanne Johnson, Homestaging By Jeanne, LLC, tie the design together with multiple cornice boards, matching throw pillows and Hunter Douglas Silhouette® window shadings. Pagoda velvet fabric from Manuel Canovas. Fabrication and installation by Warren Steven Window Fashions. Photography by Mark Ehlen.
